DAVE LABHARD

OUR FINAL EVENTS FOR 2009 HAVE COME AND GONE AND WE LOOK FORWARD TO THE NEW YEAR WITH OUR IOANC FRIENDS. WE HAD A FUN TOUR IN BENICIA AND MANAGED TO GET THE CLUB BUSINESS TAKEN CARE OF AT THE ANNUAL BUSINESS MEETING. THE CHRISTMAS PARTY IN DECEMBER, HOSTED BY JAN AND RICH HARDY, WAS A GREAT SUCCESS AND THE MENU WITH A VARIETY OF SOUPS, SALADS AND DESSERTS WAS EXCELLENT.

JOHN TENNYSON HAS RETIRED FROM THE STATE OF CALIFORNIA AND HE AND NANCY WILL BE SPENDING MORE TIME TRAVELING. JOHN HAS REQUESTED NOT TO BE THE EVENTS DIRECTOR FOR THIS COMING YEAR, SO I HAVE ASKED JAN HARDY TO TAKE ON THAT POSITION AND SHE HAS ACCEPTED. JAN IS CURRENTLY PLANNING THE EVENTS FOR 2010 AND HAS THE TENTATIVE SCHEDULE READY. IN FEBRUARY WE WILL CONTINUE THE SITE SEARCH AND PLANNING FOR THE IOANC 2011 STATE MEET AND I WILL ANNOUNCE THE LOCATION IN MAY OF THIS YEAR AT THE SCIO STATE MEET AWARDS DINNER IN PALM SPRINGS.

WITH THE PASSING OF CHARLENE QUINN OUR LONGTIME MEMBER AND FRIEND WE ALSO LOST OUR IOANC HISTORIAN. AT THE RECENT FALL TOUR TO KINGS CANYON, I HAD DISCUSSED WITH CHARLENE THE CLUB ARCHIVES AND WHAT SHE HAD. RECENTLY I SPOKE WITH ARLENE HACKNEY AND SHE SAID SHE WOULD COORDINATE WITH THE FAMILY THE APPROPRIATE TIME TO PICK THE ARCHIVES UP. IN CONSULTATION WITH THE IOANC BOARD WE FEEL IT IS IMPORTANT TO REVIEW WHAT WE HAVE, DECIDE WHAT IS IMPORTANT TO SAVE, AND CATALOG THE ARCHIVES. I HAVE ASKED JOHN TENNYSON TO TAKE ON THE TASK OF INVENTORY AND CATALOGING THE MATERIAL (*SHORT RETIREMENT JOHN*) AND HE HAS ACCEPTED. IF ANY CLUB MEMBERS HAVE ITEMS (SUCH AS DOCUMENTS FROM PAST BOARD OFFICERS), THAT YOU FEEL MIGHT BE IMPORTANT TO BE PART OF THE PERMANENT HISTORY FILES, PLEASE CONTACT JOHN TENNYSON. **PLEASE NOTE:** WE HAVE PLENTY OF EVENT PHOTOGRAPHS FROM THE RECENT YEARS BUT THE OLDER PHOTOS WOULD BE IMPORTANT TO THE HISTORY OF THE CLUB.

A FINAL THOUGHT:

WHEN WAS THE LAST TIME YOU STARTED YOUR IMPERIAL...? I'M OVERDUE ALSO.

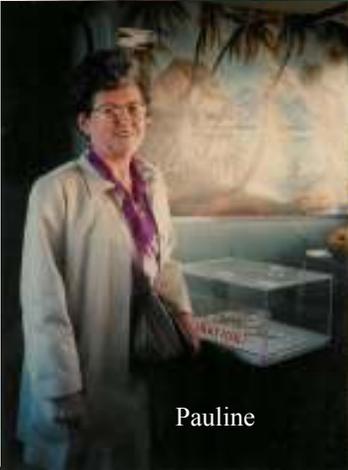

Pauline Yetter

One of the many Masonic White Shrine Officer Installations that Charles and Pauline attended.

Pauline and Charles at an East West Shrine Game. They were very active in the Shriners Hospital for Children among other wonderful causes.

Pauline

Pauline was born on June 19, 1933 in Turlock, California. Growing up she loved sports. She enjoyed tennis the most, playing three times a day. She also enjoyed playing Basketball, and she loved the Water. Her school had a contest to see who could hold their breath underwater the longest and she won First Place. Pauline was also smart. Her favorite subject was Math, and she became an Accountant in her adult life. Pauline became Mrs. Charles Yetter in 1978. They were married in beautiful Lake Tahoe. I asked Pauline how she and Charles met. She shared that they met through Charles' Mom. Pauline and his Mom belonged to the same Masonic Order, White Shrine, and attended meetings in San Rafael. Charles attended a meeting with his Mom one day, and Charles and Pauline became friends. Pauline wanted to become an officer during a Masonic election, and she invited Charles to be her escort. They became more serious as time went by. They courted, got married, and she moved to his home in Millbrae where they spent 26 years of happy marriage. She explained during their early years together "she gained weight, got rid of her allergies (he had pets), and she became happy. She described Charles, who was 27 years older than her, as Strong, Dominant, and Loving. Before they met, Charles served as Mayor of Millbrae in the late 60's. In 1968, he bought his Imperial LeBaron brand new. It was a great road car that served them well. During the 90's when they joined the Northern California Imperial Club, they drove it to events. Pauline cherishes a photo that Tom Johnson (active member of Imperial Club at the time) took of their '68 Imperial which they framed and she has on her bedroom wall. Pauline and Charles were introduced to the Northern California Imperial Club by Kathy and Mike Bullock. Mike is fondly known as "Doc" Bullock. He maintained their Imperials, and encouraged them to buy the '72 LeBaron because the '68 LeBaron had seen better days. Pauline thought that the '72 LeBaron was a MUCH more comfortable ride on their long road trips. With their '68, Pauline brought along a lot of pillows. In 2001, they decided to sell the '72 LeBaron to a young man who was really interested in it. However, he never took care of it properly, and it got towed away. The young man never changed the registration. She received a notice to pay \$2000 or it would go to the Demolition Derby Drivers. She just couldn't let that happen, so she bought the '72 LeBaron back from the Impound Storage. Kenyon Wills (IOANC member) is part owner of the '72 LeBaron and makes sure it runs well. Over the years it won a lot of awards. On May 12, 2004, Pauline's dear husband of 26 years past away. He was 98 years old. He enjoyed good health and they enjoyed an active life together until his demise. Pauline continues to be upbeat, and sharp of mind today. She was Secretary/Treasurer of the Northern California Imperial Club for years. Her organization skills can be seen in her books that she kept as Treasurer. It contains a LOT of history. It was my pleasure to SPOTLIGHT Pauline and Charles' life together. Thank you, Pauline, for the opportunity to share your life with our members.

IOANC—ANNUAL BUSINESS MEETING
 BENICIA, CA.
 NOVEMBER 7, 2009

Twenty-nine members and guests attended the 2009 Annual Business Meeting and Tour in November at historic Benicia. On a beautiful crisp and sunny day members met at the 3rd Capitol of California – the only state capitol building still standing other than the current capitol building in Sacramento.. Members enjoyed the docent’s presentation of the history of the building and why – for political reasons – Benicia served as the Capitol for only 13 months – even though Benicia was high and dry on the side of a hill and in those days Sacramento was prone to continuous flooding. Following the capitol museum tour, members toured various antique shops, Victorian homes and churches, and boutiques in the historic district and then met for lunch at the old Union Hotel Restaurant, where all enjoyed a delightful lunch and company. President Labhard called for a moment of silence in memory of long-time member Charlene Quinn, who recently passed away. At the business meeting, Tom Egger was re-elected as membership chairman, and Debbie Lang as Newsletter chair and Vice-President. President Labhard announced the appointment of Jan Hardy as the new Tour Director, replacing John Tennyson, who is retiring. After lunch, about half the members were led by Stuart Ryce in caravan to the nearby Camel Museum, site of an historic army post since before the days of the Civil War, where camels were once stabled as Army pack animals and which was later used for munitions storage during subsequent wars. The Camel Museum is full of history and the docent presentation was excellent. Members also enjoyed inspecting Stuart’s 1949 Packard, which he has finished restoring, and brought along for the occasion. Those in attendance included: David Barnhardt, Tom & Sherrie Egger, Mike & Arlene Hackney, Rich & Jan Hardy, Ole & Peg Jensen, Lud, Ad, & Jerry Indihar, Dave & Camela Labhard, Ken & Debbie Lang, Danny Quinn & guest, Stuart Ryce & Lora Harmon, Roger Selby, John Tennyson & guest Nancy Dupuis, Bob & Pat Trepanier, Larry & Sally Tomasini, and Jimmy White, and his grandson, AJ.

Thanks to David Barnhardt, we were able to get a tour of the Camel Barn. They were not expecting us, after all...so we were lucky!

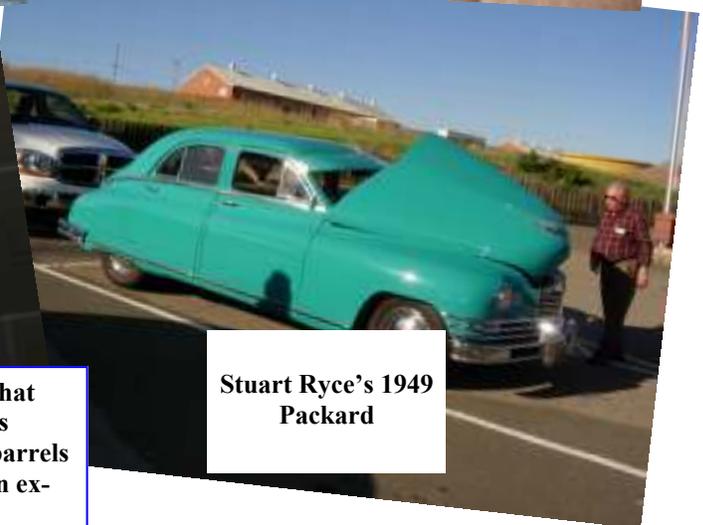

This is the other Powder Magazine building on site. There were many signatures on the wall with dates in the late 1800's.

Cork Tree— Yes...Cork is harvested from these trees.

The Powder Magazine was actually the name of a building that was built of native sandstone by French Stonemason. It was called such because it was designed to hold three thousand barrels of powder. It had vaulted ceilings and 4 foot walls to contain explosions, should they accidentally happen!

A few of the IOANC members were able to tour the Camel Barn Museum and Military exhibits in East Benicia. We had a docent who was a local Medical doctor. He moved to Benicia because of his interest in history, and, the information he shared held our attention.

2009 Annual Christmas Party
Rich and Jan Hardy's
Dixon, Ca.
December 12, 2009

Early Saturday afternoon on December 12, the prediction of rain and gloomy weather was fulfilled . However, our IOANC Christmas gathering at Rich and Jan Hardy's was full of life, laughter, and admiration for our Hosts hard work. I am still amazed at Jan's Christmas decorations, not to mention, her love for entertaining. It was not a pot-luck this time. Jan and Cam Labhard did all of the preparation. The menu included various soups to warm our tummy's, salads, h'dourves and homemade cookies...YUM! Participants were: Lora Harmon & Stuart Ryce, Lud & Ad Indihar, Dave & Camela Labhard, D J Quinn & Linda, Roger & Carol Selby, Nancy & John Tennyson, Bruce & Maryann Toelle, Larry & Sally Tomasini, Arlene & Mike Hackney, Rich & Jan Hardy, and guests Sid & Diane Schroeder, and Ken and Debbie Lang.

2009 Wreaths Across America
Dixon, Ca.
December 12, 2009

Remember the fallen; **Honor** those who serve; **Teach** our children the value of freedom

The Origin of Wreaths Across America—The Arlington Story

Worcester Wreath and its involvement with the Arlington project was inspired at the early age of 12 years old when, as a Bangor Daily News paper boy, Morrill Worcester won a trip to the Nation's Capital. It was a trip he would never forget, and Arlington National Cemetery made an indelible impression. In later life, he recognized that his success as a businessman was in large part, due to the values of this Nation and the Veterans who made the ultimate sacrifice for their country.

In 1992, the Wreath Company found themselves with an excess of wreaths nearing the end of the holiday season. Seeing an opportunity to make a boyhood dream a reality, efforts to do something special with those wreaths began in earnest. With the help of Maine Senator Olympia Snowe, arrangements were made for the wreaths to be placed at Arlington in one of the older sections of the cemetery, a section which received fewer visitors with each passing year. Now over fifteen years and over 100,000 wreaths later, across America, many volunteers participate in the project each year

John Tennyson's Retirement Party

December 29, 2009

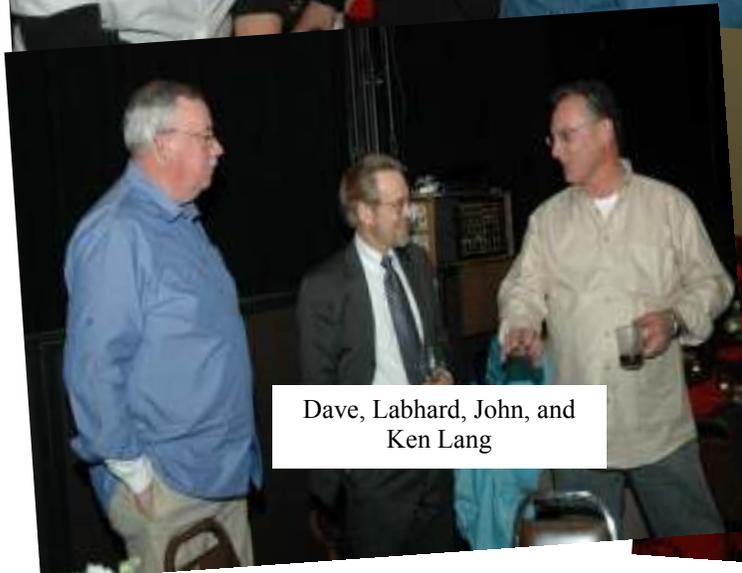

Nancy did her best to keep the Retirement Party for her husband, John Tennyson, a SECRET! An elaborate plan to ask John to be Master of Ceremonies for IOANC President, Dave Labhard's birthday worked for a while. At the time it was lucky that John did not know Dave's birthday is in July. As **thorough** as John is at any task he accepts, he and Cam exchanged a few emails so that John could make sure he carried his 'part' well. Word has it that the cat was out of the bag when someone at John's office said he couldn't make the party. Darn! It was a TOTAL success ANYWAY. John's Retirement Party was held at the California Auto Museum (formerly Towe Museum) in Sacramento. It was a cold wintery night, but the warm atmosphere inside the museum was made complete with all of John's friends and family present. With the non-stop smiling, we could tell John was pleased with his Celebration. Present from IOANC were Dave and Cam Labhard, Rich and Jan Hardy, Arlene Hackney and son Mike, Debra Compson and her Mom, Vic Fink, Jim and Amor, Roger and Carol Selby, John Weaver, and Ken and Debbie Lang. John retired from the State of California. He and Nancy plan to relax and travel a bit before committing to any of the numerous activities he is involved. Congratulations, John!

Members Corner

The week-end of November 1st, 2009, Ken Lang and Kenyon Wills took a trip to Southern California to help Dick Benjamin, SCIOI member organize some spare parts and cars that he could no longer physically move by himself. After a week-end of physical labor, good company, and great food that Nancy Benjamin prepared for them, they returned home with a '68 Crown Imperial Parts car that Dick gave to Ken. They used Kenyon's trusty trailer that brought Roger Selby's Imperial home from Sequoia National Park! The trailer has gotten quite a workout in 2009...

Kenyon put matching Imperial Eagles on the fender wells of his trusty Imperial Car Trailer...

Ken will strip the Imperial of needed parts and then invite the Demolition Derby guys to pick it up and have fun!

'68 Crown Imperial PARTS CAR

Kenyon glad to be home from a long, productive, but tiring roadtrip!

Uh Ohhh...Kenyon says, the tire isn't keeping the air that Ken put into it...They will need to roll it just a bit further into its space. Well, the tire is toast...Looks like the truck will have to nudge it into place...

That's it...wrapping up...the Imperial is staying where it is...

Ken driving Kenyon home after a great working week-end. Does that trailer look familiar??

TRUNK TREASURES

IOANC in YOUNGER YEARS

Thank you, Everyone, for your contributions in helping to identify members in this picture. John Tennyson, Arlene Hackney and Ad Indihar, and Jan Hardy offered identification. John Tennyson summarized as follows:

Group Photo may have taken place in 1990 at an old western display at a tour to Clear Lake, south end of the lake. The Pfaffingers are to Arlene's left. Frank is now deceased, Myrna his wife is standing to his left. They owned a '57 Imperial and were from San Jose. Ted Hackney is the tall guy, standing a few feet away from Arlene and his on her left. Tom Johnson is on John Tennyson left. The guy on Bernice's left may be Chuck Monedero (Alameda, '59 Imperial).

What great pictures these are. I know that Tom Johnson was very active in the club, and this may be his place. These pictures were shared by John Tennyson.

Imperial Humor

This cartoon came from Rich and Jan Hardy. Last February 2009 we had an Event Tour to the Paramount Theater, Lunch at Spengers, then a tour of Lawrence Hall of Science in Berkeley. All the aforementioned events went like clockwork until it was time to leave Lawrence Hall. Rich and Jan drove their Imperial, and followed Ken and me in our '68 LeBaron down one of Berkeley's beautiful scenic roads. We got to the campus below, and our GPS kept directing us to turn this way or that way. What the GPS did not know was that the Berkeley campus contains many Ballards to block traffic from entering the campus, and we kept running into them, having to turn around. Can you imagine two gargantuan Imperials maneuvering these small campus roads. It was hilarious, and Jan and Rich have not let us forget this fun adventure.

Need a Mobile Mechanic?

Jonezy comes highly recommended by Jimmy White. He is a mobile mechanic that has been established in Sacramento for 30 years, and has worked on Jimmy's Imperial for a while. He moved to Oregon to live and opened up another location for his business there. He continues to service his loyal customers in Sacramento. If you need a GREAT mechanic, who is MOBILE, call Jonezy and chat with him. Jimmy would be happy to talk about his work.

I hope your holidays were full of laughter, food and family. I know it has been difficult for some families to celebrate fully because of one reason or another. We will certainly miss our dear friend Charlene Quinn. She was full of fun and camaraderie, and we will cherish her memory.

I want to appreciate Pauline Yetter for allowing me to share her in the Spotlight. We enjoyed our visit together, and, I am happy to be able to stir great memories of days gone by for her!

Warmest regards,
